

RESOLUTION NO. 373

A RESOLUTION OF THE BOARD OF WATER COMMISSIONERS OF WHATCOM COUNTY WATER DISTRICT NO. 8, WHATCOM COUNTY, WASHINGTON, AMENDING RESOLUTIONS NOS. 75, 232 and 362.

BE IT RESOLVED by the Commissioners of Whatcom County Water District No. 8, of Whatcom County, Washington, as follows:

Section 1: Section III A, B & C of Resolution No. 75, Section 1 A, B & C of Resolution NO. 232, and Section 1 A of Resolution No. 362 are hereby amended to read as follows:

A. Service Connection Charge and Meter Only Charge. A service connection charge or meter only charge must be paid to the District before water service will be made available to the premises. A service connection charge shall be the total cost for installing a service connection to the property line, including meter and all necessary fittings. The meter only charge shall be the total cost for installing a meter only on an existing service line. Such charges for a primary service connection shall be:

	<u>Service Connection</u>	<u>Meter Only Charge</u>
3/4"	\$375.00	\$225.00
1"	\$590.00	
Over 1"	Time and materials plus 15% overhead but in no case less than \$1,390.00	

A charge of \$150.00 shall be made for each additional primary or secondary service connection through a primary service connection.

A charge of \$75.00 shall be made for each extended service to be connected through a primary service connection.

A charge of \$15.00 shall be made from each time there is a change of ownership per meter after the initial application for service. The amount to be paid at the time of notification of ownership change or with the first billing for service.

B. General Facilities Charge.

(1) Any application for water service facilities for property not previously assessed for water service shall be subject to a general facilities charge of two cents (\$0.02) per square foot for all area within the parcel or tract, requesting water service or \$150.00 whichever is greater. The computation of the area within said parcel or tract shall exclude county or other publicly owned streets and rights of way; and, upon approval of the District, may exclude areas designated to remain in an undeveloped, natural state for esthetic purposes. In cases of tracts larger than 15,000 square feet, a residential lot of 15,000 square feet may be segregated for computing the General Facilities Charge.

(2) Said charge shall entitle the owner of said property to place thereon one residential living unit per 6,000 square feet of land. In the event that more residential living units than allowed hereunder are to be placed on the land being charged, an additional charge of \$150.00 per additional residential living unit shall be paid to the District.

(3) Existing District customers who have not previously paid the general facilities charge who wish to change the number of service connections on their property shall receive credit at two cents (\$0.02) per square foot for their usage existing on February 21, 1974, as follows:

- (a) For each single family residence, 6,000 square feet or \$120.00;
- (b) For each cabin, 4,500 square feet or \$90.00;
- (c) For each trailer site, 4,000 square feet or \$80.00;
- (d) For each light industry site, 4,000 square feet or \$80.00;
- (e) For each commercial or other use, 2,000 square feet or \$40.00.

In no case shall the credit exceed the amount of the additional charge.

C. Charge in Lieu of Assessment for Local Facilities. In any application for service for premises, if the owner or former owners have not paid a proportionate share of the construction cost of the main fronting the premises, there will be a charge in Lieu of Assessment. A Charge in Lieu of Assessment shall be paid in full before water service is supplied to the premises. The charge in lieu of assessment shall be calculated at the rate of \$10.00 per front foot. In cases of tracts larger than one acre a lot of 100 front feet may be segregated for computing the charge in lieu of assessment.

Section 2: This resolution shall become effective on the date of its passage and shall apply to any water service applications made but not completed prior to that date.

Section 3: All resolutions or parts of resolutions that conflict herewith are hereby repealed.

ADOPTED at a regular meeting on the Board of Water Commissioners of Whatcom County Water District No. 8, held this 17th day of March, 1981.
