

RESOLUTION NO. 396

A RESOLUTION OF WHATCOM COUNTY WATER DISTRICT  
NO. 8 CHANGING WATER GENERAL FACILITIES CHARGES  
AND AMENDING SECTION III B (1) OF RESOLUTION NO. 232  
AND 3D OF RESOLUTION NO. 245.

IT IS HEREBY RESOLVED by the Board of Commissioners of Whatcom County Water District No. 8 that:

Section A. Section III B (1) of Resolution No. 232 is hereby amended to read as follows:

B. General Facilities Charge.

(1) Any application for water service facilities for property not previously assessed for water service shall be subject to a general facilities charge of two cents (\$0.02) per square foot for all area within the parcel or tract, requesting water service or \$150.00 whichever is greater. The computation of the area within said parcel or tract shall exclude existing county or other publicly owned streets and rights-of-way; and, upon approval of the District, may exclude areas designated to remain in an undeveloped, natural state for esthetic purposes. In case of tracts larger than 30,000 square feet, a residential lot of 15,000 square feet may be segregated for computing the General Facilities Charge.

Section B. Subparagraph 3D of Resolution No. 245 is hereby amended to read as follows:

D. General Water Facilities Charge - Any application for water service facilities shall be subject to a general facilities charge of two cents (\$0.02) per square foot for all area within the parcel or tract, requesting water service or \$150.00 whichever is greater.

The general facilities charge for water shall be based on a single family residential equivalence of 6000 square feet land area per living unit. Any parcel or tract having a higher density than 6000 square feet of land area per unit shall be charged \$150.00 per unit for each additional unit. The computation of the area within said parcel or tract shall exclude existing county or other publicly owned streets and right-of-ways; and, upon approval by the District, may exclude areas designated to remain in an undeveloped, natural state for esthetic purposes.

The District will allow for a credit against the general facilities charge to any owner who is required to install a larger line than eight inches (8") for the additional cost of acquiring and installing such larger line over and above the cost of the eight inch (8") line.

Payment shall be made before construction begins.

Section C. IT IS FURTHER RESOLVED that any resolution or parts of resolutions in conflict herewith are hereby repealed.

Section D. This Resolution shall be effective immediately upon its passage.

Section E. The remainder of Resolutions No. 232 and 245, with the exception of those sections amended by other resolutions, shall remain unchanged.

ADOPTED at a regular meeting of the Board of Water Commissioners of Whatcom County Water District No. 8, Whatcom County, Washington, held this 13<sup>th</sup> day of ~~September~~<sup>October</sup>, 1983.
