

RESOLUTION NO. 436

A RESOLUTION OF BIRCH BAY WATER DISTRICT NO. 8 CHANGING WATER GENERAL FACILITIES CHARGES AND AMENDING SECTION III B (1) OF RESOLUTION NO. 232 AND 3D OF RESOLUTION NO. 246 AND RESOLUTION NO. 406.

IT IS HEREBY RESOLVED by the Board of Commissioners of Birch Bay Water District No. 8 that:

Section A. Subparagraph 3D of Resolution No. 246, Section A and B of Resolution 406 and Section 3(B)(1) of Resolution 232 are hereby amended to read as follows:

General Water Facilities Charge - Any application for water service facilities shall be subject to a general facilities charge of two cents (\$0.02) per square foot for all area within the parcel or tract, requesting water service or \$150.00 whichever is greater, plus a connection charge of \$80.00 for each equivalent living unit to be located on said parcel or tract as defined in Section B of Resolution No. 405 as amended. Provided, however, that the two cent (\$0.02) per square foot charge shall not be levied in any case in which the property has previously been assessed and/or paid a per square foot general facilities charge by ULID or otherwise, and provided, further, that the \$80.00 connection charge and the general facilities charge shall not apply to a reconnection of service within one (1) year of the date of disconnection of service.

The computation of the area within said parcel or tract shall exclude existing county or other publicly owned streets and right-of-ways; and, upon approval by the District, may exclude areas designated to remain in an undeveloped natural state for esthetic purposes.

In the case of tracts larger than 30,000 square feet which will have less than one equivalent living unit per 15,000 square feet, residential lots of 15,000 square feet per living unit may be segregated from the whole tract for purposes of computing the general facilities charge.

The District will allow for a credit against the general facilities charge to any owner who is required to install a larger line than eight inches (8") for the additional cost of acquiring and installing such larger line over and above the cost of the eight inch (8") line.

Payment shall be made before construction begins.

Section B. IT IS FURTHER RESOLVED that any resolution or parts of resolutions in conflict herewith are hereby repealed.

Section C. This Resolution shall be effective immediately upon its passage.

ADOPTED at a regular meeting of the Board of Water Commissioners of Birch Bay Water District No. 8, Whatcom County, Washington, held this 23rd dat of October, 1986.
