

RESOLUTION NO. 321

A Resolution of the Whatcom County
Water District No. 8 setting annexation fees.

WHEREAS, certain parties have recently petitioned the District for annexation to the District and

WHEREAS, the creation of the Boundary Review Board has resulted in increased costs to the District which the District should not incur.

NOW THEREFORE, it is resolved by the Commissioners of the Whatcom County Water District No. 8 as follows:

1. a) All requests for petitions for annexation shall be accompanied by a fee of \$100.00 which shall be paid in advance.
b) All applications for annexation to the District shall be accompanied by a fee of \$200.00. The annexation shall not be considered unless and until such fee is paid.
2. The petition shall contain a Whatcom County Engineers section map outlining the area of the proposed annexation.
3. The petition shall include the following information:
 - a. A brief statement regarding the general background of, and the reason for seeking, the proposed action.
 - b. The legal description of the boundaries of the area involved in the proposed action. (This must be a legible copy, capable of reproduction satisfactorily by Xerox, etc., on a separate page entirely.)
 - c. An 8 1/2" X 13/14" vicinity map designating the area of the proposed action, together with all significant geographic features, INCLUDING bodies of water, major streets and highways, and boundaries of all units of government in the area as they presently exist. (This map should show the area for at least one (1) mile on all sides of the area involved in the proposed action.)
 - d. An environmental checklist.
 - e. Population and territory; population density; land area and land uses; comprehensive use plans and zoning; per capita assessed

valuation; topography, natural boundaries and drainage basins, proximity to other populated areas; the likelihood of significant growth in the area and in adjacent incorporated and unincorporated areas during the next ten years; location and most desirable future location of community facilities.

f. Municipal services; need for municipal services; effect of ordinance, governmental codes, regulations and resolutions on existing uses; present cost and adequacy of governmental services and controls in area; prospects of governmental services from other sources; probable future needs for such services and controls; probable effect of proposal or alternative on cost and adequacy of services and controls in area and adjacent area; the effect on the finances, debt structure, and contractual obligations and rights of all affected governmental units.

g. The effect of the proposal or alternative on adjacent areas, on mutual economic and social interests, and on the local governmental structure of the county.

Adopted at a regular meeting of the Whatcom County Water District No. 8 Commissioners the 1st day of March, 1979.
