

RESOLUTION NO. 385

A RESOLUTION OF WHATCOM COUNTY WATER DISTRICT NO. 8 CHANGING COLLECTION PROCEDURES FOR SEWER SERVICE CHARGES AND AMENDING SECTION 4 OF RESOLUTION NO. 139.

IT IS HEREBY RESOLVED by the Board of Commissioners of Whatcom County Water District No. 8 that:

Section A. Section 4 of Resolution No. 139 is hereby amended to read as follows:

4. Sewer service charges shall be billed every two months. The billing will be for the month preceding and the month following the date of the bill, provided, however, that the billings for July 1 and August 1, 1982 shall be for a three month period of time, to wit: the two months preceding the billing date and the month following the billing date.

Sewer service charges for existing structures shall commence thirty (30) days after sewer service becomes available. Such charges shall be made every two (2) months. Sewer service charges for structures constructed after sewers are available shall commence on the first day of the month following the month in which connection is made, or the structure is occupied, whichever event occurs first.

Monthly and bi-monthly statements of charges for sewer service shall be due and payable at such place or places designated by the District on or before the last day of the billing month and shall be delinquent thereafter. All customers will be billed on a 12-month basis. The statements shall cover service charges for the period shown thereon and shall be issued and forwarded by mail to the customer upon billing.

Sewer service charges shall be terminated at such time as the structure is either removed, destroyed, condemned, or no longer requires sewer service in the opinion of the District, provided the side sewer is capped according to the rules and regulations of the District.

Section B. IT IS FURTHER RESOLVED that any resolutions or parts of resolutions in conflict herewith are hereby repealed.

Section C. The effective date of this resolution shall be July 1, 1982.

Section D. The remainder of Resolution No. 139, with the exception of those sections amended by other resolutions, shall remain unchanged.

ADOPTED at a regular meeting of the Board of Water Commissioners of Whatcom County Water District No. 8, Whatcom County, Washington, held this 15th day of April, 1982.
